

# We still have a lot to offer!

## Free Little Pantry

While the library is closed the staff will continue to work in partnership Grantsburg Food Shelf volunteers to offer food distribution from the Little Free Food Pantry out in front of the library. Individuals can pick up or donate food at any time.

## WiFi access

During these difficult times WiFi access is imperative for staying updated on government regulations and to also destress with family and friends via social media or email. Please know that all people are welcome to utilize the library's Wi-Fi signal from the library parking lot from 6:00 a.m. to 10:30 p.m. seven days a week. There is no password required to access the WiFi.

## Virtual programs

### PRESCHOOL AGE CHILDREN

For parents and children, librarian Sara is providing storytime—digitally! Families can access digital storytimes anytime, though new videos posted every Wednesday morning at 10:30 a.m. at the Grantsburg Library Facebook page. These programs will feature engaging read alouds, crafts and games. We invite you to follow along at home. Families can sign up to receive supply lists for upcoming events and early literacy tips when they subscribe to **text message updates** by texting *GrpreK* to (844) 304-8840.

### SCHOOL AGE CHILDREN

Friday mornings at 10:30 a.m. Sara and her special guest, her daughter Brynn are offering a program geared towards school aged children. Sara will tell you about her favorite books and Brynn will show-off her crafting skills with a new project each week. Tune into Grantsburg Library's Facebook page to watch.

### VIRTUAL BOOK CLUB

The library will host a monthly virtual book club to bring Grantsburg folks together on Tuesday, May 5. This month, we're kicking off the discussion by inviting you to read *The Island of Sea Women* by Lisa See. Come ready to share your read. Join by calling Gail at (715) 689-2374 or emailing Kristina at [kristina@grantsburg.wislib.org](mailto:kristina@grantsburg.wislib.org).
